

FOOD SAFETY POLICY

JEBPLUS SDN BHD is committed to produce and supply safe products that meets our customer's and applicable legal requirements. We shall achieve this by: -

1. Compliance to applicable food safety regulatory and statutory requirements:
 - Food Act 1983
 - Food Regulations 1985
 - Food Hygiene Regulations 2009
2. Fulfilling applicable product safety requirements.
3. Provides a framework for establishing and reviewing the Food Safety Policy and Objectives for our continuing effectiveness during management review meeting.
4. Promote effective internal and external communication throughout the supply chain, organization & operation team.
5. Committed to continually improve our HACCP in reducing food safety hazards and consistency of product safety.
6. This policy is communicated, understood and implemented by all employees.

A handwritten signature in black ink, appearing to read "Chin Yon Yee", is positioned above the printed name of the Asst. General Manager.
